

My project
Journey

prompts
Draw or write

The template consists of five rectangular boxes arranged in a cross shape. Each box has a dashed line indicating a fold line. The top box is connected to the central box by a vertical dashed line. The central box is connected to the left, right, and bottom boxes by horizontal dashed lines. The left and right boxes are connected to the central box by vertical dashed lines. The bottom box is connected to the central box by a vertical dashed line. The top and bottom boxes have trapezoidal flaps on their outer edges, suggesting they can be folded into a 3D structure.

What is your project in 1 picture or sentence?

What is my idea?
Who/What influenced me the most?

How will you make your project for the wip show?

What is the scale of my project?

Where is my data coming from? What form does it take?

How will you test your ideas?

What is my organism? How do I care for it?
What challenges am I facing?
Who is my ideal collaborator?
